Sir:

As a means of complying with the duty of disclosure set forth in 37 CFR § 1.56 and in keeping with the guidelines of 37 CFR § 1.98, Applicant hereby submits information thought to be relevant to the examination of the above-identified application. Also submitted herewith is a completed form PTO-1449.

This information came to light during the examination of a counterpart application in the European Patent Office in an Office Action dated March 15, 2002. Accordingly, the undersigned hereby certifies that the information submitted herewith is being

submitted within three months from the date of that Office Action.

Applicant, through his undersigned attorney, hereby certifies that, unless submitted herewith, no English language translation is presently available to those individuals identified in 37 CFR § 1.56(c) for any non-English language reference(s) cited.

To the best of the undersigned's knowledge, no Office Action has yet been received in the above-identified application.

PCT International Publication No. WO 00/54488 (HAMILTON et al.) apparently relates to methods, devices, and systems that are provided in a message routing architecture which provides capacities for integrating digital communication through email messages with analog communication through voice and/or fax or pager messages.

PCT International Publication No. WO 99/12365 (HYLLANDER et al.) apparently relates to communication systems including means for transmitting internet address via short message services (SMS).

PCT International Publication No. WO 97/22211 (LOW et al.) apparently relates to methods of providing telecommunication services that has service logic and data placed on a server accessible over the Internet.

No fee is deemed necessary in connection with the filing of this Information Disclosure Statement. However, if a fee is required for this submission, the Commissioner is authorized to charge the requisite fee to our Deposit Account No. 03-3125.
